

COMMITTEE FOR SMITH ISLAND AFFAIRS
EWELL, TYLERTON AND RHODES POINT, MD

Dear Fellow Islander,

The Committee for Smith Island Affairs needs your input on two controversial issues, that may determine which direction Smith Island will move into the 1990's. Please check A, B, or C to answer that which best suits you on the two important questions listed below.

QUESTION 1- DO YOU THINK SMITH ISLAND WOULD BE BETTER
SERVED BY:

- A. An incorporated Island with an Elected Mayor and Town Council?
- B. An incorporated Island elected town council only?
- C. Left the way it is, with an appointed citizens committee?

QUESTION 2 - DO YOU THINK SMITH ISLAND WOULD BE BETTER
SERVED BY:

- A. A Water System operated by The Somerset County Sanitary District?
- B. An incorporated island water system that will comply with the Maryland Department of Environment's Rules and Regulations?
- C. Left the way it is, with cooperative members continuing to operate each well?

Thank you for your answers. Please enclose and seal your answers in the accompanying envelope and take to your post office for pickup on Tuesday, August 7th... Do NOT sign your name.

All envelope's will be opened and the votes tabulated by members of the Maryland Rural Development Corporation in the presence of Smith Island Affairs Committee Members and all interested citizens who wish to attend...in the Ewell Church Basement, Tuesday Aug.7th at 6:00 P.M.

Jennings Evans
Chairman
